

MICHAEL (MIKE) L. REILLY
MECHANICAL ENGINEER

CENTRAL WASHINGTON UNIVERSITY
MECHANICAL ENGINEERING TECHNOLOGY

BACKGROUND

Mike Reilly has over 3 years of experience in the construction field and graduated Central Washington University with a 3.6 GPA while obtaining his degree in mechanical engineering technology. While at CWU Mr. Reilly showed great leadership skills by quarterbacking and captaining the Universities's football team for 4 years. Mr. Reilly finished his career holding virtually every school record and was runner up for the national player of the year honors in 2008. After his collegiate career Mike spent 5 months playing football professionally for the the Pittsburgh Steelers of the National Football League. Following his time in the NFL Mike began working for Absolute Engineering as a Mechanical Engineer.
